

## Rectifier Bridge Diode Single 1KV 1A 4-Pin Case DFS T/R

Images are for reference only

**Manufacturer:** [Diodes Inc](#)

**Package/Case:** SMD-4

**Product Type:** Thyristors

**Lifecycle:** Active

[Inquiry](#)

### General Description

#### Key Features

Lead Free compliant to EU RoHS 2002/95/EU Directives

Green Molding Compound: IEC61249

Qualified with IR Reflow and Wave Soldering

UL Certified, UL #E258596

#### Application

This product is general usage and suitable for many different applications.
